

# THSRC Membership Recommendations/Requirements

Summer 2020

Created May 25, 2020

Last Updated July 2, 2020 (headers have been marked in red ink to signify a change in that section)

Here is the moment we've all been waiting for.....how are we going to make it all happen at the pool this summer.

There is A LOT of information provided here and in order for everyone to have the most enjoyable season at the pool possible – despite all the restrictions – we highly encourage you (and everyone in your family) to read this entire communication.

For starters, we will follow and adhere to all Ohio Department of Health's requirements for pools and restaurants ([Link here](#)), as well as the CDC guidelines for pools ([Link here](#)).

While there will be lifeguards and managers at the pool at all times, it is the members responsibility to follow these rules and ensure you/your children are maintaining distance from friends/other members.

Below are specific responses planned based on the requirements as they stand today. PLEASE NOTE these plans will be put into place as we start the season in order to maintain current compliance. Should there be updates or lifts in mandates, we will absolutely respond and update accordingly.

## **General Info:**

Pool opens Monday, June 1, 2020

We are extending the pool's hours to accommodate for more visit options due to the new limitations in capacity around the deck and in the pool

Monday – Thursday sessions:

Noon-4pm – max 280 people in facility\* (including 80 in pool)

4-5pm – all members must vacate premises for cleaning  
5-9pm – max 280 people in facility\* (including 80 in pool)

Friday – Sunday sessions:

10am-1pm – max 280 people in facility\* (including 80 in pool)

1-2pm – all members must vacate premises for cleaning

2-5pm – max 280 people in facility\* (including 80 in pool)

5-6pm - all members must vacate premises for cleaning

6-10pm – max 280 people in facility\* (including 80 in pool)

\*this number does NOT include tennis courts

We must adhere to a 6ft apart / no gathering in groups of different households around the club, on the deck or in the pool. If there are violations of this, we are at risk of additional Health Department inspections, fines and even being shut down.

### **RESERVATIONS:**

Starting Monday, June 22, we will no longer offer reservations and all spots will be on a first come, first serve basis.

No one under the age of twelve (12) can be at the pool unattended.

If you are playing tennis and decide to swim after, you must check in at the desk and will only be allowed to enter if the number of people at the pool is under the 280-person capacity limit.

### **MAIN POOL:**

Based on square footage and distancing mandates, the calculated large pool capacity shall be NO MORE THAN 80 people in the water at one time.

SwimSafe is responsible to decide when we've reached this capacity. Should we reach 80-person capacity, the lifeguards will blow the whistle for 10-minute adult swim (no more than 80 adults can be in the water).

While there will be lifeguards and managers at the pool at all time, it is the members responsibility to follow these rules and ensure you/your children are maintaining distance from friends/other members.

**BABY POOL:**

Based on square footage and distancing mandates, the calculated baby pool capacity shall be NO MORE THAN 4 people in the water at one time and 12 total inside the fence. All children must be accompanied by an adult. SwimSafe is responsible to decide when we've reached this capacity.

While there will be lifeguards and managers at the pool at all time, it is the members responsibility to follow these rules and ensure you/your children are maintaining distance from friends/other members.

**SWIM/DIVE CLINICS (aka Torpedo Training):**

Swim/dive clinics will be offered from 8am-11:30am Monday-Thursday starting June 8 – July 16. See the website for details. The Seven Hills Swim/Dive League has agreed that there will be no league meets this season. However, we are hopeful we may be able to hold either an inner team meet or possibly one dual meet if restrictions are lifted.

**SWIM LESSONS:**

Please see the THSRC website to learn about the options for private swim lessons.

**GUESTS/PRIVATE PARTIES:**

As of June 15, 2020 guests are allowed Monday-Thursday from 5-9pm as long as the maximum capacity numbers have not been met. Please review the guest policy as stated in the current bylaws here:

- All guests must register before using the Club facilities. The sponsoring

member must accompany and pay for all guests, at the time of sign-in at the front desk.

- No member family shall be entitled to more than two (2) individual guests or one family on any one day, without prior permission of the Club manager.
- No person may be a guest of the Club more than twice in any one week (Monday-Friday) and no more than 2 weekend days (Saturday-Sunday) per month regardless of how many members may extend an invitation.
- Any member who fails to register a guest brought to the Club or who supplies false information as to such guest may be suspended from all Club privileges for such time as the Board of Trustees may decide.
- The temporarily modified guest fee is \$2.

Private parties are not allowed.

#### **MEMBERSHIP RESPONSIBILITIES:**

All Members are required to CHECK-IN at each visit.

All Members MUST ADHERE to the 6 ft social distance rules both IN THE POOL AND OUT OF THE POOL. We ask that you respect and follow this rule out of courtesy to your fellow Members. If there are violations of this, we are at risk of additional Health Department inspections, fines and even being shut down.

While there will be lifeguards and managers at the pool at all times, it is the members responsibility to follow these rules and ensure you/your children are maintaining distance from friends/other members.

Your use of the pool, grounds, club amenities constitutes your agreement to the Covid-19 waiver that can be found [here](#).

FURNITURE MAY NOT BE MOVED IN ANY WAY!! We have gone through great lengths to ensure the max capacity allowed on the premise while also following distancing mandates. A majority of this compliance is based on furniture arrangement. Please no moving of tables or chairs or loungers. If you have any questions or a specific request, please ask the Manager

on duty.

Masks are NOT required to be worn by Members, but are of course welcome.

If a Member is sick and/or shows any signs of illness, we ask you to refrain from visiting the Club following the CDC's guidelines. Signs will be posted for reference.

### **FACILITY + STAFF SAFETY UPDATES**

Masks will be worn by ALL Staff, except when in the lifeguard chair.

Temperature Checks will be administered to Staff prior to shift start.

There will be distance and foot traffic markers around the Snack Shack, diving board and entrances. We ask families to help monitor your children's obedience of these markers.

The Snack Shack will open 30 minutes after each session starts and will close 15 minutes before each session ends. The Snack Shack staff will be required to wear a mask and gloves. Food handling will be according to ODH's regulations. We will have limited staff working at one time in order to adhere to the social distance guidelines. The Shack Shack menu will be limited. Please plan accordingly. Cash will still be accepted.

Restroom capacity for both men and women shall be no more than 4 people at a time. This follows compliance with CDC guidelines.

Restrooms will be sanitized AT LEAST every two hours.

There will be NO water stations on the tennis courts -- please plan accordingly.

### **ADDITIONAL INFORMATION:**

Playground, gaga pit, swings are open as of June 10, 2020.

Basketball may be played and you must bring your own basketball.

The Club will not be giving out any balls or any shared play items.

The grass fields will be open for play!

Lost and Found will no longer be open for public. If you lose an item, please let one of our Staff know the description of the item and he/she can help.

Thank you all so much for reading through this document and understanding these measures have been put in place to keep us all safe and compliant.

If you have questions, suggestions or comments, please feel free to email [turpinswimclub@gmail.com](mailto:turpinswimclub@gmail.com).

### **Turpin Hills Swim and Tennis 2020 FAQ**

#### **Will there be a refund of a portion of our dues because there are restrictions regarding pool usage?**

The cost to operate the pool is materially the same with or without capacity restrictions. We will incur additional costs for cleaning supplies and signage. We will experience a decrease in revenue due to lost guest fees and limited concession stand sales. Therefore, there will be no refunds.

#### **How will the reservations work?**

Reservations are no longer being used as of June 22, 2020. Attendance will be on a first-come basis. Once we hit our occupancy capacity, additional members must wait will not be able to enter the pool grounds until a member leaves. The board reserves the right to use reservations for busy weekends or any future social events.

**Can you provide a real-time number of how many spots are currently available for walk-ins?**

Our priorities the first few weeks will be on making sure all aspects of the pool opening are running smoothly and the safety of our members. You are able to call the pool to check on occupancy. As we are able, we may be able to provide Facebook updates.

**Can I call and put my name on a “first-come, first-serve” list?**

No - you must come to the pool.

**Will there be a lap lane available?**

We are able to open the pool for lap swimming only from 11:00 am to 11:50 am Monday-Thursday and from 9:00 am to 9:50 Friday-Sunday. You must exit the pool and leave the premises at end of the session. Because we used the square footage of the entire pool to calculate our Social Distancing capacity, we cannot have a dedicated lap lane available at other times.

**What if members or members’ children are not adhering to the social distancing policy stating that you must stay 6 feet away from any non-family member?**

Swim Safe staff have been directed to ask members to adhere to the social distancing policies. However, the main responsibility is on the families. Please discuss these policies with your children (and guests). Adults must also adhere to the policies. We fully expect unannounced visits from the Board of Health. If we are not following the policy, we could be closed down.

**TENNIS FAQ**

**Does a person taking a tennis lesson, dropping off or picking up a child from a lesson, with no intent to use the pool, need to make a pool reservation?**

NO, however you will still need to stop at the front desk, check in and explain that you are there for tennis only. You must exit when done.

**Does a person taking a tennis lesson or picking up a child, with the intent to use the pool, need to register at the front desk?**

YES, this will help us keep an accurate count of persons at the pool to keep within the new limits.

**Do I need to make a reservation if I just want to play tennis?**

No, you do not need to make a reservation. Stop at the front desk, check in and let the front desk know you are just playing tennis. When you are finished, you must leave the facility. If all the courts are full, you can wait on the tennis pavilion.

**Where will I enter and exit from to play on the courts during pool hours?**

As in the past, through the front gate

**Will any courts be closed?**

No - all courts will remain open. Please follow the guidelines that are posted around the courts.

**Will water coolers be on site to fill up my water?**

No, they will not be available.

**Can I bring guests to play tennis?**

No guests are permitted during pool hours. If you have a tennis key and are playing when the facility is closed, you may bring a guest. However, please remember that guests must be accompanied by a member.
